

## Twelfth Night

Viola and her twin brother, Sebastian, are shipwrecked. She disguises herself as a boy, Cesario, and becomes a page with Duke Orsino, who employs "him" to court Olivia. Olivia falls for Cesario, who as Viola falls for Orsino. Sebastian is rescued by Antonio and is mistaken for Cesario first by a challenger, whom he beats, and then by Olivia and agrees to marry her. Antonio mistakes Cesario for Sebastian and is brought before the Duke. Olivia enters and mistakes Cesario for her husband, when Sebastian enters. Brother and sister are reunited. Confusion is cleared, and Orsino and Viola pledge their love.
